

BVMP News

Staff update

Two of our GPs will soon be going on maternity leave with Dr Megan Kendall leaving us in early October to prepare for the arrival of her fourth child and our Registrar, Dr Rianna Xu, is expecting her first child in December.

Their current patient load will be distributed amongst our other doctors who are already working at capacity so unfortunately, we are unable to take on any new patients at this time.

Diane's farewell

In early October we will be saying goodbye to our Receptionist, Diane de Rooy. Di joined Bega Valley Medical Practice in 1997. She has been a valuable and loyal employee for 22 years who started at the practice with a small team of one GP and one nurse. Di and her husband Lenny are relocating to Wollongong to be closer to their family and spend more time with their grandkids. We wish Di and Lenny all the very best for their move. Di will be missed by all our staff and our patients.

Join us in saying goodbye...

We will be hosting a **Farewell BBQ** at BVMP on **Wednesday 9 October** from 1:30pm – 2:30pm for anyone who would like to see Di before she heads to Wollongong.

Script Clinic

If you are in need of a repeat prescription you can make an appointment for one of our 'Script Clinics' held between 2:00pm – 2:30pm Monday to Friday.

This clinic is for repeat prescriptions only and not for any medications of addiction. Patients will be bulk billed for this consultation and if you have other health concerns you wish to discuss you will need to book an appointment with your usual GP.

Facebook

BVMP has a Facebook page. Please like our page to keep up to date with relevant info and notifications from Bega Valley Medical Practice. We will be using this social media platform to communicate with our patients from now on.
